

PROPERTY OWNERS ASSOCIATION OF HILLTOP LAKES, INC
DIRECTIVE
TO THE
HILLTOP LAKES WILDLIFE TEAM

PURPOSE: To provide a safe and healthy balance between wildlife and human population. This is to be accomplished through safe and properly planned management and safe education.

SCOPE: No recreational hunting is authorized within the confines of Hilltop Lakes' property. The Wildlife Team will operate under the jurisdiction and control of the Property Owners Association of Hilltop Lakes Board of Directors, as directed by the Texas Parks and Wildlife Service.

The Wildlife Team will be composed of Hilltop Lakes' property owners only. Property owners who desire to participate must agree to abide by the Team's By-Laws and pay an Administrative Fee yearly. Three meetings and work days, as needed, will be conducted to accomplish established goals.

The Hilltop Lakes Wildlife Team shall consist of:

President	Vice President
Treasurer	Secretary
Three Directors	Members

The Wildlife Team will assist property owners with wild animal problems such as hogs, raccoons, beavers, etc. All harvesting of wildlife will be under the Team's direction.

This program is for the benefit of all Hilltop Lakes' property owners, and does not give the Wildlife Team authority to harvest animals on any private property without the written permission of the property owner.
